

## Year 5 – Badgers

In September I will be coming back to River Mead School

I will be in

Year 5

The name of my new class will be

Badgers

My teacher will be Mr Torrington.

The teaching assistant in Year 5 will be Mrs Williams.

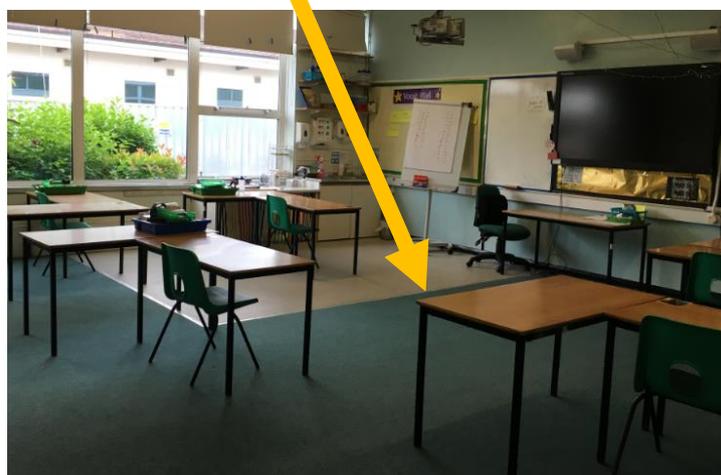

The Year 5 classroom will be in the same place as Year 5 was before.

There is a photo below. It might look a bit different in September as we haven't finished planning where the tables will go, or what will be on our display boards.

School office

Year 5 - Badgers classroom

Our first topic will be...

**Sow, Grow and Farm!**

*In the Sow, Grow and Farm project, we will learn about allotments in the United Kingdom. We will learn about food webs and animal life cycles, including how living things are dependent on one another within a habitat. We will investigate the different ways that plants reproduce and will dissect flowering plants to identify the different structures. We will have the opportunity to learn about farming in the United Kingdom and the techniques used in modern farming, including the challenges that farmers face. We will also learn about world farming and how the different climate zones affect where different foods can be grown.*

## My day in school

8:30am

I will come into school using the white gate by the office. An adult will be there to greet me.

I will then walk into school through this door, walk towards the library, go up the ramp and into the Year 5 classroom.

10:45am

Year 5 playtime will be at 10:45am on the main playground and in the quiet area. I will be able to play with my friends in Year 5 and 6.

12:30pm

I will go out for lunchtime play in the main playground and quiet area with my friends in Year 5 and Year 6.

1:00pm

I will come in for lunch. I will eat lunch in my classroom.

2:50pm

I will go home using the white gate by the office.

Other things:

- I will still have PE with Mr Newman
- There is still star of the week but we won't have assemblies altogether
- We must follow rules about washing our hands
- We must try and stay 2m apart
- I will be in school Monday to Friday

It's OK to feel a bit worried and excited about coming back to school.

The grown-ups will help you to learn the new rules and routines in September, so don't worry.

We can't wait to see your smiley faces!

We've missed you!
