

Year 6 – Buzzards

In September I will be coming back to River Mead School.

I will be in **Year 6**. The name of my new class will be

Buzzards

My teacher will be Mrs Sones.

The teaching assistant in Year 6 will be Mrs Rugg.

Miss Tanner and Mrs Cleverley will also be working with some children in Year 6.

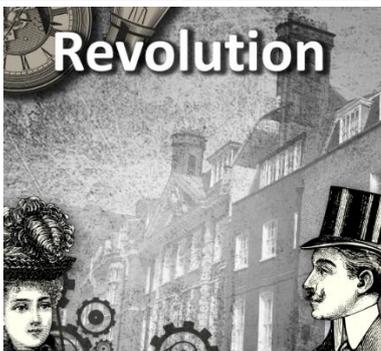

The Year 6 classroom will be in the same place as it was before.

There is a photo below. It might look a bit different in September as we haven't finished planning where the tables will go, or what will be on our display boards.

Year 6 - Buzzards classroom

Our first topic will be...

Discover a time when great minds thought new thoughts and ingenious inventors created so many things that we take for granted today: the electric light bulb, the telephone and the first flushing toilet. Let's forge ahead to research a time when Victoria was Queen and Albert was Prince Consort, and when some people lived in slums while others prospered. Take on the role of an important reformer and present your good causes to the Queen. Can you gain the support of a wealthy sponsor? Full steam ahead to the Victorian age.

Our class reading book will be Cogheart by Peter Bunzl.

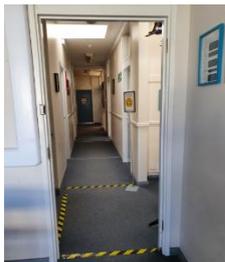

My day in school

8:30am

I will come into school using the white gate by the office. An adult will be there to greet me.

I will then walk into school through this door, walk towards the library, go up the ramp, past Year 5 and through to Year 6.

10:45am

Year 6 playtime will be at 10:45am on the main playground and in the quiet area. I will be able to play with my friends in Year 5 and 6.

12:30pm

I will go out for lunchtime play in the main playground and quiet area with my friends in Year 5 and Year 6.

1:00pm

I will come in for lunch. I will eat lunch in my classroom.

2:50pm

I will go home using the white gate by the office.

Other things:

- I will still have PE with Mr Newman
- There is still star of the week but we won't have assemblies altogether
- We must follow rules about washing our hands
- We must try and stay 2m apart

It's OK to feel a bit worried and excited about coming back to school.

The grown-ups will help you to learn the new rules and routines in September, so don't worry.

We can't wait to see your smiley faces!

We've missed you!
