

Curriculum Information
Term 1
The Beehive

Literacy

In our writing we will be learning to:

- Create marks in different media such as shaving foam or paint.
- Experiment with writing to give meaning to our drawings.
- Attempt to write initial letters of familiar words.
- Make clearly identifiable letters when writing
- Write meaningful sentences

Maths

We will be learning to:

- Enjoy and take part in number songs
- Use number names in play
- Write numbers 1-10
- Recognise numbers 1-10.
- Subitise numbers
- Adding and subtracting numbers up to 20.

Spelling/Phonics

We will continue learning phonics through Read Write Inc. and Attention Autism (bucket).

Some of us will have a weekly spelling list of words to learn.

Our focus this term will be settling into school and spending time learning the routines in the class. Our key text 'Here We Are' by Oliver Jeffers will support us to think about ourselves, our family and our friends as well as how we can look each other and the environment. We will spend time appreciating what is around us and looking at the change in weather as Summer turns to Autumn. We will learn about other climates around our planet.

Thrive

We will be learning about different emotions and expressing how we feel. We will start to learn techniques that will help us feel calm.

At home you could...

Have a go at some fine motor skills activities such as threading or using pegs to pick up small objects such as pasta to support pencil grip.

Remember to read daily

Understanding the world

We will be looking at maps and exploring where we live and comparing this to different countries and environments

Art and Design

In art we will be learning to

Music

In music we will be learning to find the pulse in a piece of music. We will play a range of different instruments and

PE

In PE we will be learning to

Cooking

In cooking we will be learning about where our food comes from.

Forest School

In Forest School we will be learning about the natural world and how we can look after it. We are going to explore changes that happen during Autumn and changes in the weather.

Communication and Language

We will be learning to use more complex sentences including words such as 'because' and 'and'. We will be extending our vocabulary using topic words such as autumn, earth, planet and solar system. We will also be focusing on our targets that have specifically come from SALT.
