

Information for parents and carers
River Mead School – 8th March 2021

You have been asked to make sure you drop and collect your children and do not wait around outside of school.

This is because you are not currently allowed to do so in law. The current restrictions only allow you to "leave home for recreation and exercise outdoors with their household or support bubble, if they are eligible for one, or with one person from outside their household."

Any larger group will be illegal and are breaking the current covid restriction in law.

We have been advised that there will be patrols of the immediate vicinity of schools. Please support the school and community safety by going home once you have dropped your child(ren) off.

Kind regards

A handwritten signature in black ink, appearing to read "KLAS" with a flourish at the end.

Mrs Karen Austin
Head Teacher
