

### English

We will be reading Jim and the Beanstalk

Our class reader will be Harry the  
Poisonous Centipede

In our writing we will be learning to:

Write a letter to invite a visitor to school.  
Write a non-chronological report about  
plants.  
Write a narrative inspired by Jim and the  
Beanstalk.

### Maths

In maths we will learn how to use bar  
models, number bonds and column method  
to solve addition and subtraction problems.

### Spelling/Phonics/Grammar.

This term we will on spelling rules for the  
suffixes -ing, -est, -ful, -ment, -ness.

We will continue to learn how to apply  
tenses correctly.

Tiptoe through the tulips as your  
senses discover the blooming  
foliage and enchanting fragrances of  
flowers and herbs. Round and  
round the mulberry bush we go,  
planting bulbs and seeds, and then  
watch them grow beneath sunshine  
and showers. Explore the  
astounding world of the scented  
garden, but be careful, there are  
some wild and dangerous plants out  
there that do astonishing things.

Don't touch them. Use the  
marvellous properties of plants,  
flowers and herbs to make an  
exceptional gift for somebody  
special. Everything is coming up  
roses. Why not grow your own?

Have a look at the super six for some amazing  
home learning ideas!

### Science

In science, we will be observing, classifying and  
collecting data all about how plants grow.

### Art/DT

In art, we will be creating sculptures and  
observational drawings.

### Geography

In geography, we will be drawing sketch maps  
including symbols and a key. We will also be  
finding out about different climates around the  
world and what plants grow there.

### Computing

We will be creating our own presentations using  
software such as PowerPoint.

### D&T

In DT, we will be selecting from and using a range  
of tools and equipment to preform practical tasks.

### PE

In P.E. this term, children will learn to stop and  
strike a moving ball with sporting equipment such  
as a hockey stick. They will also master basic  
fundamental movement skills including running  
and jumping, agility and coordination. Children will  
focus on the personal skill of resilience in their P.E.  
lessons. They will begin to apply these skills in a  
range of physically demanding activities and  
competitive sports.
